OPPOSITION TO ORDER TO SHOW CAUSE

Waller Broadcasting, Inc. ("WBI"), licensee of Station KOOI-FM, Jacksonville, Texas, by its attorney, hereby opposes the proposal to reclassify Station KOOI-FM's license to specify operation on Channel 293C0 in lieu of its current channel 293C in order to accommodate the allotment of Channel 292A at Converse, Louisiana, set out in the Order to Show Cause that the Commission issued to WBI on July 24, 2003 in connection with the above-referenced rule making proceeding.

WBI hereby states its intention to file an application for a construction permit to increase the height above average terrain of Station KOOI-FM's antenna to at least 451 meters no later than March 7, 2004. Accordingly, pursuant Section 73.3573, Note 4, of the Commission's Rules, the proposal to downgrade Station KOOI-FM's license to Class C0 at this time must be denied.

Respectfully submitted,
